AS

The Superintendent of the Nhpuram jail has no quarters in the Jail premises but lives in ~~associated~~ a rented bungalow in the vicinity of the jail. It is however not known whether the distance between the Superintendent's bungalow and the jail would justify the installation of the telephone connection proposed. If information on this point is considered necessary, the draft memo to the I.G. is submitted for approval. The I.G. may also be asked (OR) to state if he has funds to meet the 14.12.22 expenditure proposed.
